Last date for registration: July 5

No spot registration.

*Bus shuttle from Kannur Railway
station & KSRTC bus stand
available at 7:00AM*

Dear esteemed colleagues,

On behalf of Department of Radiodiagnosis,
Kannur Medical College, Kannur, we cordially invite you
to attend the CME on "Imaging & interventions in
ischemic stroke". The session aims to cover the basics
relevant anatomy, imaging findings on CT & MRI, as well
as relevant interventional procedures. The session will
prove to be of value for junior doctors as CT brain has
become an indispensable tool in evaluation of stroke.
Advanced imaging techniques like DWI & perfusion
study, ASPECTS and basic interventions will prove
beneficial for post graduate residents.

Organizing chairman: Dr. Keshav Kumar A.D.T

Organizing secretary: Dr.C.S Ramesh
